Sam O. Hirota, Inc. - Engineering Technician

Wilson Okamoto & Associates - Engineering Technician

Mr. Fujiwara has served as a Senior Project Engineer at Community Planning & Engineering for more than 30 years and has nearly 40 years of professional experience in the civil engineering field, specializing in residential and industrial subdivisions and public works projects. He is adept at site planning and permitting, designing water, sewer, and drainage systems, and preparing finals plans, maps, specifications, and cost estimates.

Mr. Fujiwara has applied a varied skill-set to a wide breadth of responsibilities, including project management, subcontractor oversight, bid solicitations, contract administration, and preparing construction cost estimates. Through astute negotiations and effective coordination he has been successful at executing projects for private sector and government clients whose budgets have exceeded \$20 million.

Projects for which he has conducted design, planning, or layout include:

- Department of Hawaiian Homelands Keokea-Waiohuli Subdivision
- Waiawa by Gentry Master Planned Community
- Ewa by Gentry Master Planned Community
- Waialeale Master Planned Community
- Villages of Kapolei 5 & 6
- Maili Kai Subdivision
- Sugar Mill Estates
- Velzyland View Estates
- Wailuna Subdivisions - Single-Family and Multi-Family Complexes
- BWS Water Main Improvements - Kapahulu, Laie, Kaneohe, and Nanakuli
- Halawa Valley Industrial Park
